Hi Bob & X,

We have a signed USACE permit!! The countersigned documents are attached.

Please post the documents to the Villa de Charlevoix Web Site under "Docks - Permit Data 2023". You may want to archive the "Initial Proffer 02-14-2024" and "Initial Permit Offering 02-14-2024" to avoid any confusion.

My plan is to send out a Newsletter tonight to all Villa members to let them know that we now have all necessary permits to install the waterfront this spring.

Thank you for all your help in completing the process.

Best Regards,

Ralph
