Dear Mr. Goodrich:

We are enclosing Department of the Army Permit No. LRE-1991-410101-L23. We invite your special attention to Paragraph 2.a. under Further Information, which states that "This permit does not obviate the need to obtain Federal, state, or local authorizations required by law." You should not begin work until State approval is obtained.

We require that you inform this office immediately when you begin construction. When you have completed work, fill in and return the enclosed COMPLETION REPORT.

Any material changes in the location or plans of the work authorized herein must be submitted to the District Engineer prior to commencement of work. As required by law, the revised plans must have written approval of the Department of the Army.

You are responsible for assuring that your contractor abides by the conditions of this permit. Should you have any questions on this matter, please contact April Champion at the above address, by e-mail at april.r.champion@usace.army.mil, or by telephone at (313) 226-5380. In all communications, please refer to File Number LRE-1991-410101-L23.

We are interested in your thoughts and opinions concerning your experience with the Detroit District, Corps of Engineers Regulatory Program. If you are interested in letting us know how we are doing, you can complete an electronic Customer Service Survey from our web site at: <https://regulatory.ops.usace.army.mil/customer-service-survey/>. Or, you may contact us and request a paper copy of the survey that you may complete and return to us by mail or fax. Thank you for taking the time to complete the survey, we appreciate your feedback.

Sincerely,

Room 603
Detroit, Michigan 48226-2550

Dear Sir:

You are hereby notified that work under Department of the Army Permit No. LRE-1991-410101-L23 to install seasonal recreational structures in Lake Charlevoix off Concorde North, approximately 0.42 mile southwest of the Chapelle Road/Boyne City Road intersection, in Boyne City, Charlevoix County, Michigan, issued to Villa de Charlevoix Association was completed in accordance with the permit on:

(Date work completed)

(Permittee's Signature)

IMPORTANT

1. This COMPLETION REPORT MUST BE MAILED to the above addressee within 10 days after completion of work covered by the FEDERAL PERMIT to ensure an accurate Government record of data affecting navigation.
2. Where dredging soundings are made of projects which include dredging, a copy of the soundings should accompany this report. If the soundings are measured from the water surface and have not been corrected to International Great Lakes Datum plane, the hour and date soundings was made should be noted on sounding reports.

NOTE: Although permits authorizing structures carry an expiration date, REPAIRS that conform to the permit plans are also within the scope of the authorization. Therefore, it is recommended that expired permits NOT be destroyed, but retained as proof that the work to be repaired has received the Corps of Engineers' approval.
